We are proud to have this powerful and progressive show winner in our sire lineup. The accolades Air Force One has garnered are lengthy. Just as many judges found value in his rugged stature and numeric stats, we feel his greatest asset will be the progeny he produces. We are excited to offer exclusive semen packages on Air Force One from now until April 4, 2015, at our production sale. After that date Air Force One semen will be OFF THE MARKET for 1 year to allow the investing programs to capitalize on their purchasing decision.
